August 6, 1985

Dear Jerry Adams,

Regarding our telephone conversation of August 6, 1985 — I don't want to open up Pandora's Box & have our leases carefully drawn all — we have to remain "compatible" with the Park Service. (although no one knows what "compatability" means) — however I hope other legislation could be attached (amendments) or to this Pasayten new bill if it involved land around Thirtymile Meadows & Wilderness

Chris so nicely saved the Eclipse cabin in N.C. [illegible] asked his or her spouse —

Nothing is impossible it's a matter of knowing how & when & the way — something can be done. As I resolved with the Park & the Barbers cabin with his or her spouse's — & Colyer's & the Thirtymile law of spouse inheritance right of inheritance

1. Extensive snow damage to the cabin last year. Thousands of dollars spent in repairs.

2. Influence of National Sen. Holden Assn. has helped Wilson & Wawona cabin owners. February 29, 1984 —

3. Abt cabin owners were not notified of pending name changes to deeds to reflect ownership type trust → Park Service Lawrence — How do we now get their names on record of deeds —

Section 4 of the legislation amends P.L. 95-625 to read:

"Any renewals or extensions of leases or permits shall be granted only to those persons who were lessees or permittees of record on the date of enactment of ~~this~~ act, or his or her spouse, or the heirs at law of either, and any such lease or permit shall provide that the lease or permit may be terminated by the Secretary at any time the Secretary determines that such lease or permit is incompatible with the administration of the park pursuant to this section or that the land is needed for park purposes."

or the lessees or permittees or their spouses,
